CREATE

Why ?

A whopping **98% of viewers** watch a video based on its thumbnail and the first 10 seconds. and editing each minute of such high quality video takes **1-1.5 hr.** We want to **reduce the burden** on content creators.

We understand that behind every piece of content lies a unique story waiting to be shared with the world. Hiring a fulltime video editor can be **expensive.**

What ?

Our suite of services is designed to let you focus entirely on your next viral content project.

- **Unlimited** Video Editing
- **Unlimited** Thumbnail Design
- **Unlimited** Merchandise Design
- Social Media Management
- Stream Overlays (twitch, youtube, etc)

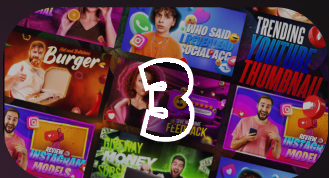

How?

The professionals backing your creator journey

Record and send us the raw files.
We'll Handle the rest

We gather and compile the best scenes.

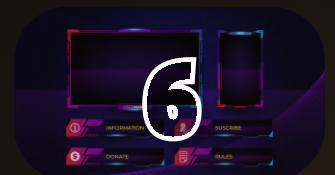

We'll create a visually pleasing thumbnail.

Create shorts, reels and tiktoks from the video.

Manage your social media.

Overlays for your stream are covered too.

An exclusive merch line is crafted for you.
